

Libby to Kindle

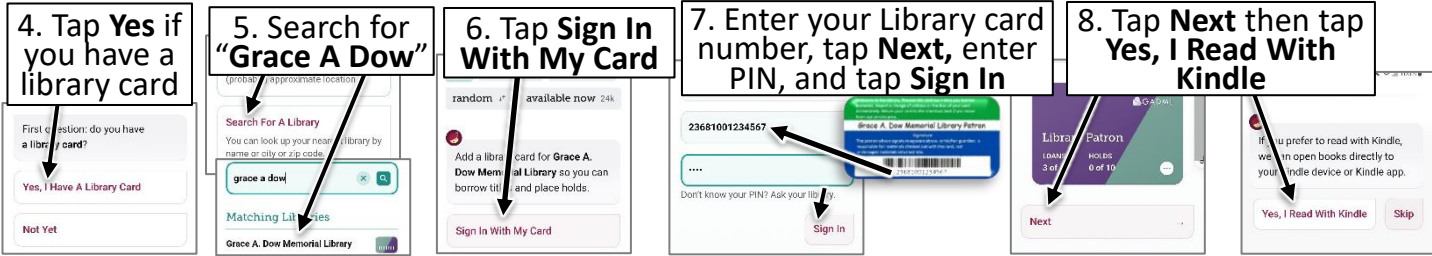

Send Library eBooks to your Kindle device

Get and Set-up the App or visit libbyapp.com on your computer

Find Libby in the App store (iOS), apps store (Amazon), or Play store (Android)

Add the Grace A. Dow Memorial Library and Sign In with your Library Card

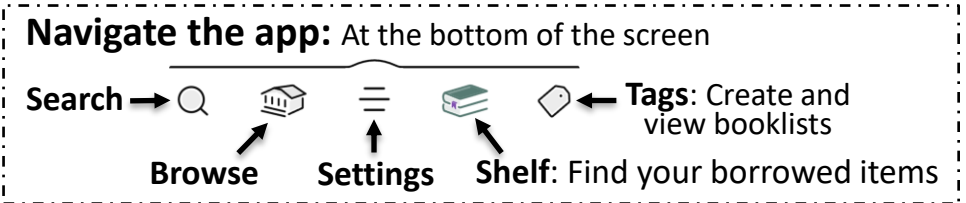

PIN – Is usually the last 4 of your phone number

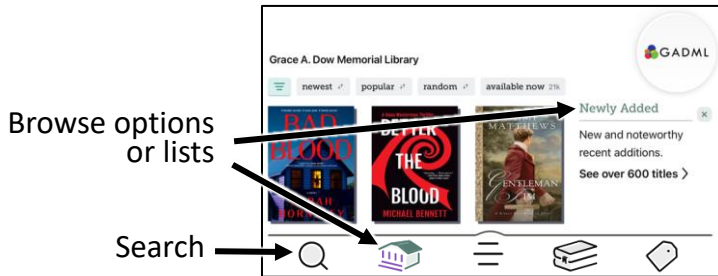

Find and borrow Items

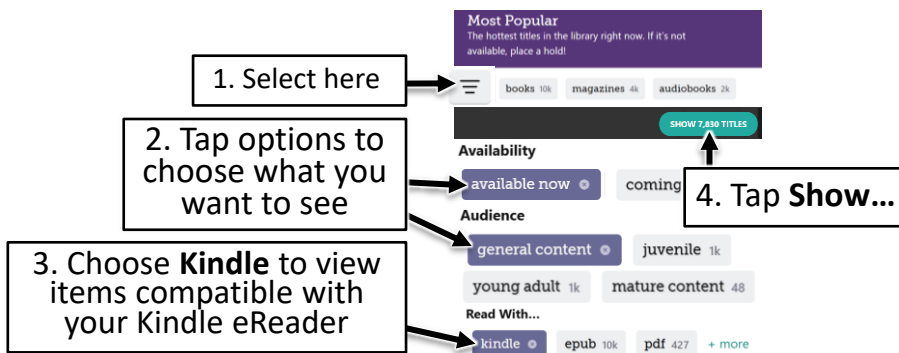

Locate and tap the Libby app on your device (or go to libbyapp.com)

♦ Search or browse for an item

♦ Filter what will show in a list

◆ View the list

Tap here to see the estimated wait for the title.

Lucky Day Item: A title that usually has holds, with a 7-day checkout.

Borrow:
Item is available

Place Hold:
Item is checked out

Audiobook

Magazine

Audiobooks and Magazines can only be used in the Libby app or libbyapp.com

◆ Borrow an item

change the loan time here

In Step 3, if you see *Open Book* instead of *Read with Kindle*:

A. Select **Go To Shelf**, B. **Manage Loan**, C. **Read With...**, D. **Kindle**

4. You will be sent to Amazon.com
(Sign into your Amazon account, if prompted)
Choose **Get Library Book**

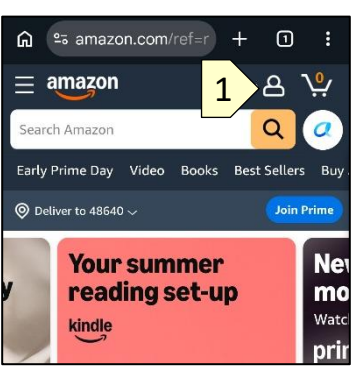

On your Kindle

- 📶 Make sure the Kindle is connected to a Wi-Fi network.
- 🔄 Sync the device, if the title doesn't show up soon

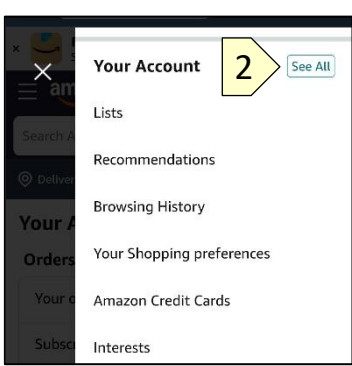

Return your eBook before the due date

The eBook will expire and return itself, usually after 21 days, but you can return it earlier.

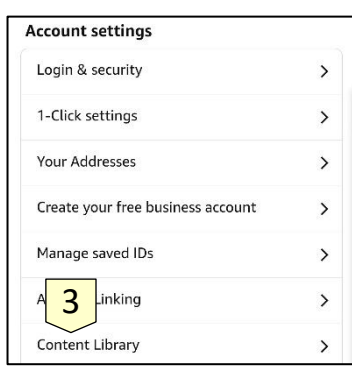

In your web browser: go to Amazon.com   

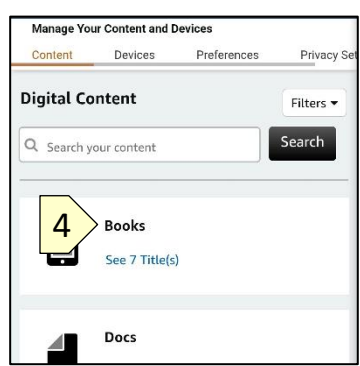

1. Select account button and sign in

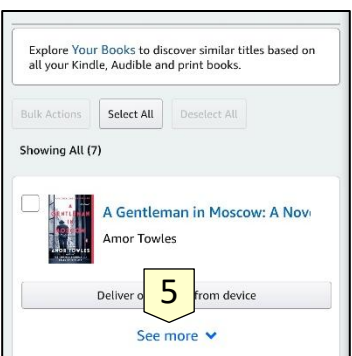

2. Select **See All** next to "Your Account"

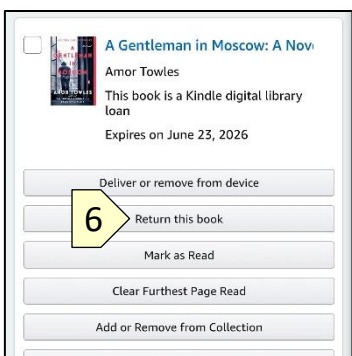

3. Under "Account Settings," select **Content Library**

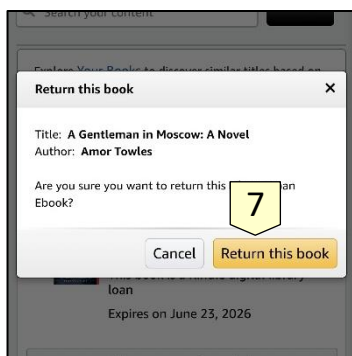

4. Select **Books**

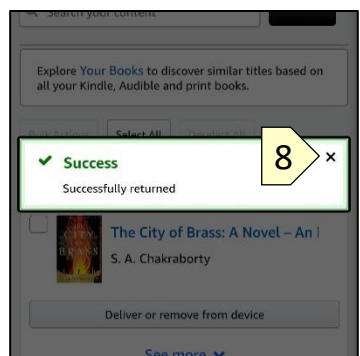

5. Select **See more**

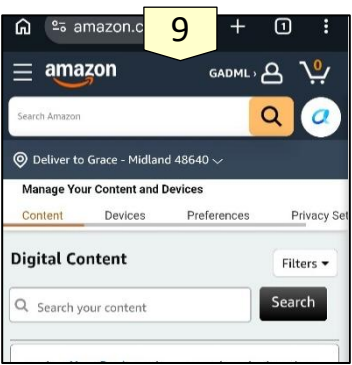

6. Choose **Return this book**

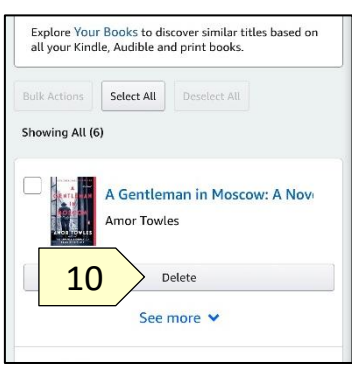

7. Select **Return this book** again

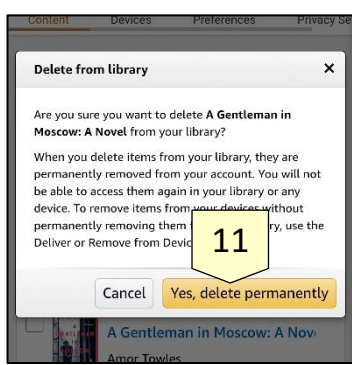

8. Select **X** to close message Box

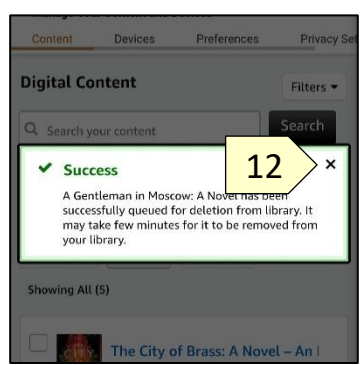

9. Swipe down from the top to refresh the page

10. Select **Delete**

11. Choose **Yes, delete permanently**

12. Select **X** to close message Box
