DIY Rules

- DIY hours are for independent use without staff.
- You must register to use the MidLab.
- Please do not open the door for other patrons as they must see the Youth Services desk to come in.
- Please make sure to clean before you leave.
- Create something cool!

During DIY hours, you can use all **green** equipment:

- Try-it kits
- 3D pens
- Sewing machines
- Cricuts
- Button makers
- Computers

You will not be able to use any **red** equipment:

- Glowforge
- Sublimation equipment
- Heat presses
- Embroidery machine

To use this equipment, please look for the next available "Open Staffed Hours" time slot or class.
