(Please enter a custom amount in the box if you do not see the amount listed)
- Check the box labeled "Write us a comment" and type in the membership level you wish to purchase on the comment line
- Click "Next" and enter your first and last name, and email address
- Click "Next" again and enter your credit card information
- Click on the green "Donate" box to finish.

## Why Become a Friend?

- Support a great community resource and help provide crucial funds to the Library!
- Receive invitations to Member's Only nights at our used Book Sales!

## Ways to support the Friends

- Donate gently used media and books
- Volunteer your time and services
- Provide financial support through donations, including Memorial gifts and Book Sale purchases

*The Friends of the Grace A. Dow Memorial Library is a 501(c)(3) non-profit organization.*

*"Friends of the Library donations are invaluable to the Library. Friends donations allow the Library to continue providing amazing services while also providing a financial safety net for innovating new ideas. When the Library staff plan new programs, we know that the Friends of the Library are available should we develop a new service in which there are no funds. Having the Friends of the Library allows staff to think of new programs in a way many Libraries around the state are unable to do so."*

**- Miriam Andrus, Library Director**

## Mission

The mission of the Friends of the Grace A. Dow Memorial Library is to support, strengthen, and broaden the scope of the Grace A. Dow Memorial Library's services and facilities for the enrichment of the entire community.

## Focus

Through its members and volunteers, the Friends give significant financial support to the Library for programs and services for the public.

## Impact

Used book sales and the Friends ReTale Market provide crucial funding to the Library to support the Summer Reading Program, Battle of the Books, Children's Storytimes, literacy kits, new indoor play equipment in the lower level, equipment for computer classes and book mending, a microfilm scanner, and funding for the recent Orchard Room renovations and 2020 Flood recovery efforts.
